

## Industry Visit at Modern Rail Coach Factory

**Day & date:** Friday, 13th Jan 2018

**Participants:** PGDM I & II year students

**Co-ordinators :** Mr U Gupta, Mr N Arora, Mr A K Dixit

The industrial visit was organized for PGDM I and II Students in order to give them a practical live exposure for how a big manufacturing unit works and operates. This unit was opened in 2011 as is the most modern and latest unit of Ministry of Railways of India.

Few Glimpses of the industry visit as it was a government undertaking spread over 1630 Acres of land which constitutes more than 10000 workers. Students got to know different sections of the unit and organized with esteem of knowledge to be cherished with practical experiences. Students had a real time exposure to the manufacturing process and they witnessed the complete process.
