Occasion: Road Safety Week

Day & date: Friday, 12th Jan 2018

Participants: PGDM I & II year students

Organized by: Cultural Club of Jagran Institute of Management

A skit is a short, usually dramatic performance with a message to convey. To bring out the acting talent, flair of the students and to spread the message of importance of road safety rules Cultural Club of Jagran Institute of Management had organised an internal Skit activity on 12th January 2018 for the students of PGDM.

The theme of the skit was 'Road Safety.' All the teams selected very interesting script to imbibe values of traffic rules in the students & faculty attendees. It was alive and ephemeral. They dealt with the issue of drunken driving, helmet, tripling, rash driving, etc. The students also acted to edify various traffic signals that we often see. The collaborative efforts of team members was evident as the students performed brilliantly on the stage.
