

## Web Reporton TCS Industrial Visit

**Event:** -Industrial Visit to Tata Consultancy Services Ltd (TCS), Lucknow

**Date & Time:** Wednesday, November 20<sup>th</sup> 2024.

**Venue:**Tata Consultancy Services Ltd (TCS), Vibhuti Khand, Gomti Nagar, Lucknow, Uttar Pradesh-226010.

**Participants:** MBA &MCA First Year Students.

As well said, “An Industrial visit is a window to the real-world applications of the Academic concepts.”

An industrial visit was organized for the MBA and MCA first-year students to **Tata Consultancy Services (TCS), Lucknow**, one of India’s leading IT services and consulting firms. The visit aimed to enhance the students' understanding of technical innovations and foster IT services feasibility. The Visit accompanied by faculty members **Mr. AdarshSrivastava** and **Ms.Pratima Gupta**, this visit was part of the Institute's **Industrial Exposure Program**, designed to provide students with practical insights into the corporate world. Both visits underscored the importance of real-world learning in bridging the gap between academics and industry practices.

Tata Consultancy Services (TCS) is an Indian multinational technology company specializing in information technology services and consulting. Headquartered in Mumbai, it is a part of the Tata Group and operates in 150 locations across 46 countries.It is the second-largest Indian company by market capitalization.

As of 2024, TCS is ranked seventh on the Fortune India 500 list. In September 2021, TCS recorded a market capitalization of US\$200 billion, making it the first Indian IT company to achieve this valuation. In 2012, it was the world's second-largest user of U.S. H-1B visas.

This initial session provided a comprehensive understanding of the company's values &ethos. During the tour students were able to witness the entire operational process, from designing, pattern making,assembly line and quality control. The Organisation showcased advanced technical toolsand efficient workflows that demonstrated the company's commitment to excellence.

A highlight of this visit was the cutting-edge IT projects, innovations & technological showcase. Representatives from the marketing and design departments gave insightful expositions on the IT services, Technological Advancements, consulting, business solutions, market trends, software design, and the company's distribution channels.

The industrial visit was a huge success which was full of knowledge, standards, and exposure. Further Students got to know the operational methodology of industry and how people workin large corporate ecosystems. It provided them with a practical exposure too.

The visit was highly appreciated by the students, who found it informative and inspiring. Many highlighted the technical learning and career preparation insights as particularly valuable.

At the end, all expressed sincere thanks & gratitude to the management and staff of TCS Limited for their hospitality and for facilitating this informative visit. This experience will undoubtedly contribute to the professional development of all students as they embark on their careers in the business world.

### **Glimpses of the Industrial Visit**
